

WANT TO HELP SERVICE MEMBERS WITH THEIR TRANSITION?

BECOME AN ETS SPONSOR TODAY

Join our team of ETS Sponsors and have a significant impact upon a transitioning service member and their family.

WHAT IS ETS SPONSORSHIP?

When a service member conducts a permanent change of station (PCS), they receive a 'PCS sponsor' from their new military installation. ETS sponsors strive to fill a similar role for service members as the service member prepares to exit the military and move to their post-military hometown. Sponsors possess a unique understanding of their hometown and are connected to resources. They conduct virtual sponsor sessions until the service member exits the military, focusing on specific transition goals. Post transition, sponsors meet face-to-face with the transitioned service member at coffee stores (free coffee and meal) or convenient locations to refine their goals.

Who Should Volunteer: Anyone willing to give their time to assist transitioning service members.

Civilians: Becoming a sponsor provides an opportunity to serve your country and have a significant impact upon a transitioning service member and their family.

Veterans: Becoming a sponsor allows you to continue to serve your fellow comrades and their families.

Throughout the journey with the transitioning service member, the ETS-SP leadership and regional contacts serve as a network of support for our sponsors. They provide tips on building relationships and guidance along the way. Sponsors are not alone!
